

Requirements for NHS

Cumulative GPA above 3.3.

Invited to fill out application to join and essay.

This goes to a panel of 5 instructors, counselors and administration cannot be on this committee.

Scores are tallied and the applicants are notified by the sponsor if they got in or not.

Induction follows (if you do not go through induction you are not in National Honor Society).

You must remember the pillars that NHS stands for, because once you are in and if you no longer fill these, you will never be able to get into NHS again.
